- Take care of all your publishing matters with the PublishDrive platform, like getting **customized API** or tracking sales data.

BOOST VISIBILITY FOR YOUR CATALOG WITH EXCLUSIVE PROMOTION DEALS

- Promote your new releases with **in-store featuring in Apple and Kobo**. Get listed in editorial newsletters for libraries and subscriptions.

- Send out **DRM protected review copies** to generate buzz for your new releases.
- Use PublishDrive's **Amazon Sponsored Ads tools with AI support** to take advantage of one of the most efficient marketing tools for ebooks.
- Increase your sales or climb the charts by **promoting your book to readers in your genre** with one of our partners, book-promotion site **Written Word Media**.
- Create **automatized price promotion** campaigns for your titles.

SALES CHANNELS AND PROMOTIONAL OPPORTUNITIES

Global Retailers

By distributing your ebooks to these global retailers, you'll be able to reach **billions of potential readers** (there are 1.4 billion active Apple devices and 2.5 billion Android users) in **more than 50 countries**. With PublishDrive you can feature your titles in Kobo editorial newsletters, get a featured position in Apple Books, and way more.

Ebook Subscription Services

Ebook subscription services are booming. With 6 million users on Bookmate and 1 million users on Scribd, North American and European publishers have a huge audience. **Also, subscription services are responsible for almost 20% of all sales in South America**. With PublishDrive you can try out new subscription services like Dreame in the South-East Asian region along with promotions to these channels.

Major Library Providers

There's roughly 135 million potential readers in the US you can reach yearly by distributing to libraries. You can also reach the Chinese library market with hundreds of millions of potential readers with PublishDrive.

PublishDrive's editorial team can recommend your title(s) to be featured in newsletters with OverDrive, Hoopla, and bibliotheca.

Regional Stores

Did you know that there are 360 million English speakers in China and more than 400 million foreign-language speakers altogether? **Through Chinese e-retailers JD and DangDang, you'll be able to access a market excited for foreign-language books**. With PublishDrive's network you get to tap into Chinese markets as well as East- and Western European stores with millions of readers.

Print-On-Demand

DISTRIBUTING PRINT, MADE EASY.

With printing technologies of today, print-on-demand is a viable and sustainable strategy for publishing books profitably. Without the hassle, high cost of advanced printing, and need for catalog storage, your titles can be ordered and printed with the power of a single click. **With PublishDrive it's easy to manage print-on-demand, plus ebook and audio.**

REACH MILLIONS OF READERS ALL OVER THE WORLD

Counting only English-speaking and EU countries, there are approximately 160 million readers who prefer to read in print. PublishDrive helps you access not only Northern American and EU countries but readers in **China with 360 million English speakers.** There's also South Korea, Brazil, India, and Russia. List your catalog with the biggest booksellers and libraries around the globe:

THE ULTIMATE PLATFORM PRINT CATALOG MANAGEMENT

- Upload your print titles in bulk and distribute to over 30,000 online stores.
- **Reach millions of Chinese print readers.**
- Get real-time analytics and sales reports to see market trends for your catalog.
- Run your publishing business on one platform: manage, distribute, promote, and more for all **print, ebook, and audio formats.**

DISTRIBUTION PARTNERS:

Each month more than 197 million people get on their devices and visit Amazon.com. By listing your title as print-on-demand, you can reach **millions of readers in 13 countries across North and South America, Europe, Asia, and Australia.**

中国图书进出口广州公司

CNPIEC captures 60% of the institutional book import in China. Distribute your print catalog to PublishDrive and uncover a massive market. **Reach a market with more than 400 million foreign language speakers.**

Ingram is a major book distributor, with **its services reach 40,000 stores**, including the largest chainstores in the US (e.g. Walmart, Costco, bookstores under the American Booksellers Association), Canada (Indigo), Australia (Booktopia), UK (Gardners, Waterstones), Spain and Italy (Mondadori, Rizzoli), Germany (BoD), and Poland (azymut).

Audiobook

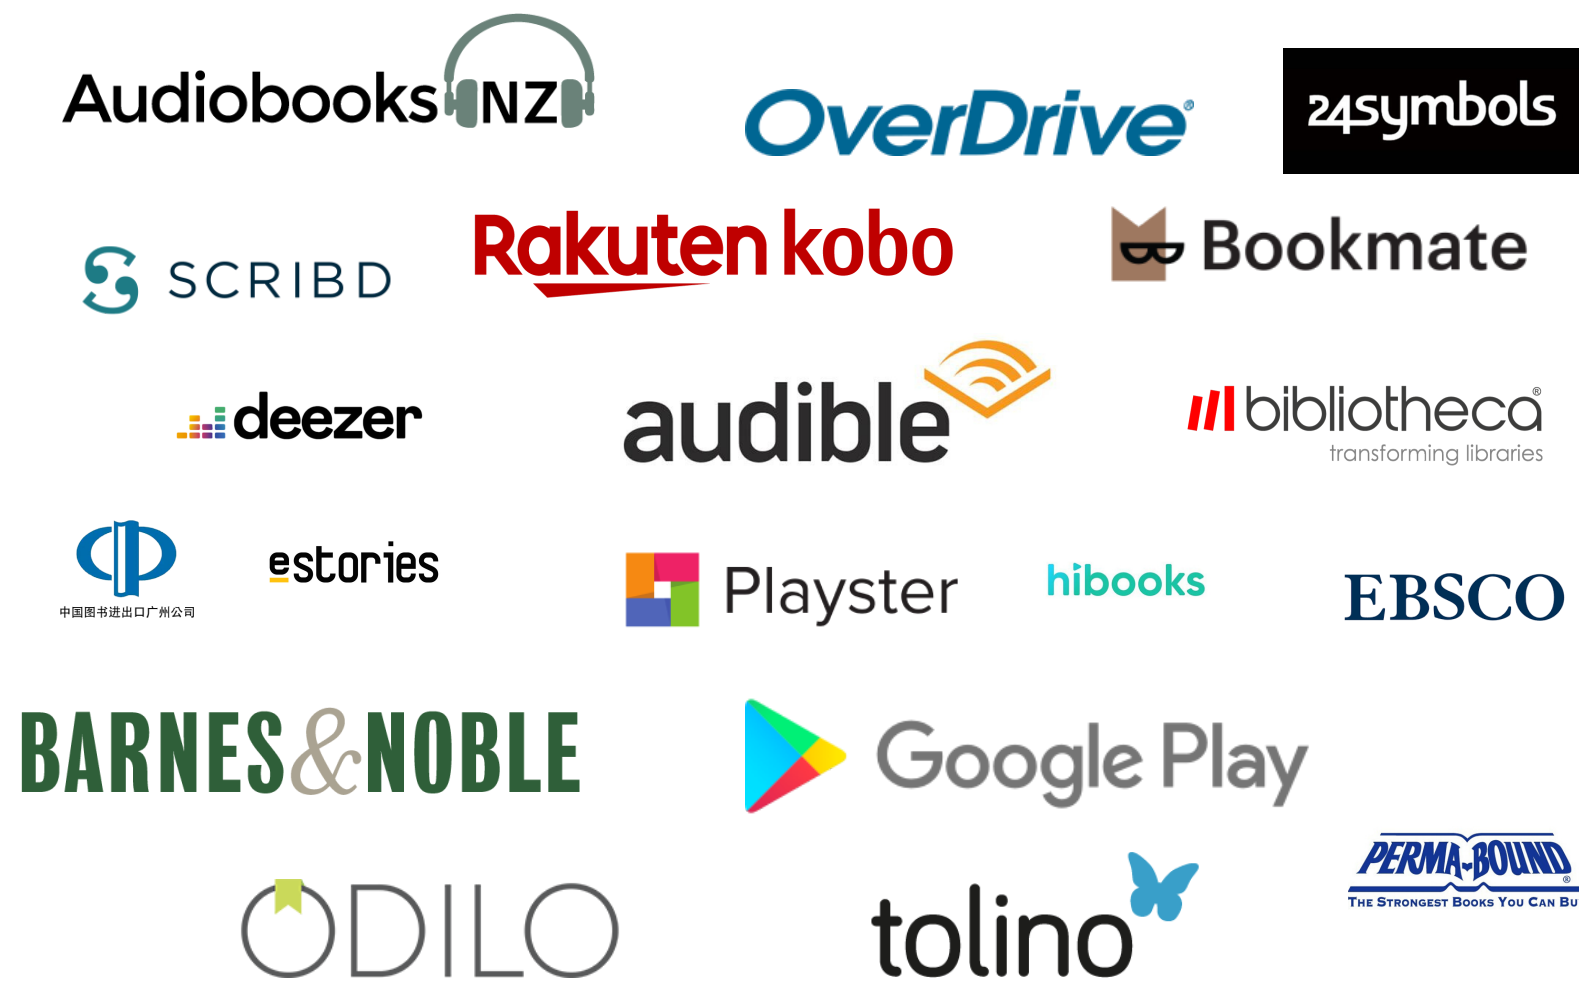

DISTRIBUTING AUDIO, MADE EASY.

Welcome to the **Golden Age of Audiobooks**. Major publishers have confirmed that **1 out of every 10 books sold is an audiobook** and it's predicted that the global **audiobook market will grow by 25% to \$ 3.5 billion by the end of 2020**. PublishDrive is the only platform where you reach not only the Northern American and European market, but listeners in China as well.

PROVIDE AUDIO CONTENT TO NEW READERS ALL OVER THE WORLD

The book industry agrees that audio brings in new readers by allowing them to engage in reading activity where they would not have been able to before. **Now, 1 in every 5 Americans listen to audiobooks**. Distribute your titles via PublishDrive and reach potential listeners using libraries and audio subscription services in North and South America, Europe, Asia, Australia, and New Zealand:

SAVE HOURS OF TIME AND REACH UNEXPLORED MARKETS

- Upload your audio catalog in bulk and distribute to millions of potential listeners in 5 continents.
- **Reach millions of Chinese listeners.**
- Get real-time analytics and sales reports to see market trends for your catalog.
- Run your publishing business on one platform: manage, distribute, promote, and more for all print, ebook, and audio formats.
